QUESTION 7:

As you may know, the Illinois Constitution currently requires a flat state income tax where all levels of income are taxed at the same rate. Governor Pritzker's proposal would change the Illinois Constitution and implement a graduated income tax, where tax rates rise with income. If the election were today, would you vote Yes to pass a constitutional amendment to eliminate Illinois' flat tax and replace it with a graduated income tax or would you vote No to keep Illinois' flat tax?

 QUESTION 7:
 As you may know, the Illinois Constitution currently requires a flat state income tax where all levels of income are taxed at the same rate. Governor Pritzker's proposal would change the Illinois Constitution and implement a graduated income tax, where tax rates rise with income. If the election were today, would you vote Yes to pass a constitutional amendment to eliminate Illinois' flat tax and replace it with a graduated income tax or would you vote No to keep Illinois' flat tax?

 QUESTION 12:
 Now I'm going to read you some statements that are being made about the proposal to move to a graduated income tax in Illinois. After hearing each statement, please tell me whether it makes you MORE likely or LESS likely to VOTE YES for a constitutional amendment to implement a graduated income tax in the state of Illinois? If it would make no difference, just say so.

If the graduated income tax amendment passes, and the initial rates Governor Pritzker proposed are signed into law as is, the typical married couple family in Illinois would see a reduction in their income tax of around \$130.
