RE: Invest in Kids Act Annual Report

Pursuant to the Evidence-Based Funding for Student Success Act, the Department of Revenue is submitting the annual Invest in Kids Act Report as required in 35 ILCS 40/35.

Public Act 100-0465 created the Invest in Kids Act (35 ILCS 40/1) which allows income tax credits for taxpayers who make authorized contributions to a Scholarship Granting Organization, which, in turn, provide scholarships to qualified, non-public schools in Illinois for eligible Illinois students. The Invest in Kids Act requires annual reports to be sent to the Department of Revenue from each Scholarship Granting Organization no later than January 31st of each year. The Department of Revenue then reconciles its records against the Scholarship Granting Organization reports and compiles this report for the Governor and the General Assembly.

The information included in this report is in accordance with the Family Educational Rights and Privacy Act and the Illinois Student Records Act. Any information not included in this report has been stricken to ensure that confidentiality has been maintained and that demographic data of individual students has been preserved.

ILLINOIS INVEST IN KIDS SCHOLARSHIP TAX CREDIT PROGRAM

Illinois Public Act 100-0465 requires Scholarship Granting Organizations (SGOs) to provide the Illinois Department of Revenue with annual and financial report information. As part of the annual report, SGOs are required to provide the Department with the following information:

- The total number of Certificates of Receipt (CORs) issued;
- The total dollar amount of qualified contributions received;
- The total number of eligible students who received scholarships for the immediately preceding calendar year and the school year in progress, and the total dollar value of the scholarships; and
- The name and address of each qualified school for which scholarships were issued detailing:
 - The number, grade, race, gender, income level, and residency by ZIP code of eligible students;
 - The total dollar value of scholarships being utilized at each qualified school by priority group.

The information provided by each participating SGO in their annual report is provided below for the 2021 - 2022 school year.
